

CPB Seminar Series Fall 2012

When: Tuesdays, 4:10 - 5:30PM
Where: 1022 Life Sciences Building

- **October 2:** Susan Lott, Assistant Professor
Department of Evolution and Ecology, UC Davis
Title: "Genomic approaches to robustness and constraint in the evolution of developmental traits in *Drosophila*"
- **October 9:** Thomas Claverie, Postdoctoral Research Associate
Department of Evolution and Ecology, UC Davis
Title: TBA
- **October 16:** Johanna Schmitt, Professor
Department of Evolution and Ecology, UC Davis
Title: TBA
- **October 23:** David Plachetzki, Postdoctoral Research Associate
Center for Population Biology, UC Davis
Title: TBA
- **October 30:** Louis Pitelka - Senior Visiting Scientist, NEON, Inc.
Title: "The National Ecological Observatory Network (NEON): From Petals to Petabytes"
Host: Alan Hastings
- **November 6:** Tracy Heath, Postdoctoral Research Associate
Department of Integrative Biology, UC Berkeley
Title: TBA
Hosts: Brian Moore and Luke Mahler
- **November 13:** Carl Boettiger, Doctoral Candidate, Exit Seminar
Title: "Regime Shifts in Ecology and Evolution"
- **November 20:** TBA
- **November 27:** James Mallet, Distinguished Lecturer
Department of Organismic and Evolutionary Biology, Harvard University
Title: TBA
Host: Rick Grosberg
- **December 4:** Rebecca Best, Doctoral Candidate, Exit Seminar
Title: TBA
