The True Cost of Oil:

Images of Beauty and Devastation

Featuring,

Garth Lenz

*Internationally-recognized,
environmental photo-journalist
Member of the International League
of Conservation Photographers*

*“Canada’s Tar Sands are
perhaps the most visually
compelling example of all that
is wrong with our addiction to
fossil fuels and why we must
change or face dire consequences
for all life on Earth.”*

Tuesday, January 15 5:00 p.m.

UC Davis – Wellman Hall, room 2

Free admission
