

**Department of Biology, Stanford University  
Faculty Position in Evolution**

The Department of Biology at Stanford University invites applications for a tenure-track Assistant Professor in the area of evolution. We seek outstanding applicants engaged in answering fundamental questions in evolution, and welcome a wide spectrum of applicants employing theoretical, empirical, and/or interdisciplinary approaches. The successful candidate will hold a Ph.D., and is expected to develop a vigorous research program and to participate in the Department's teaching at both the undergraduate and graduate levels. More information about the Department and the University can be found at <http://biology.stanford.edu/>.

Applicants should submit a cover letter, a curriculum vitae including publication list, a statement of research accomplishments and future plans, a statement of teaching experience and interests, and three letters of reference. All materials must be submitted electronically to AcademicJobsOnline <<http://academicjobsonline.org/ajo/jobs/7544>>. Inquiries may be directed to [maychin@stanford.edu](mailto:maychin@stanford.edu).

Applicant materials and reference letters must be received by October 15, 2016. The appointment is anticipated to begin September 1, 2017.

*Stanford University is an equal opportunity employer and is committed to increasing the diversity of its faculty. It welcomes nominations of and applications from women and members of minority groups, protected veterans and individuals with disabilities, as well as others who would bring additional dimensions to the university's research, teaching, and clinical mission.*
