And who else has been one of the biggest pushers of "transhumanism" - George Church - e.g [bigthink.com/surprising-sci...](#) , who was also funded by Epstein

And Church explained away his connections to Epstein as a case of "nerd tunnel vision" [thverge.com/2019/9/19/2087...](#) - so if you think Church's plans for a DNA dating service has no possible downside, I suggest you think again

And if you want to dig deeper into the ties between Humanity Plus and George Church and other ethically dubious "transhumanism" activities see [technologyreview.com/s/612838/the...](#) by [@Antonio Regalado](#) and also [geneticsandsociety.org/biopolitical-t...](#)

And here is Humanity Plus magazine in 2013 promoting Jeffrey Epstein as a great benefactor of science [hplusmagazine.com/2013/11/14/jef...](#)
